Action!... Skill!... Fun!

Beautiful Mahogany Finish

Automatic Ball Release

To Retail from
$1.00 to $5.00

Your score depends upon your skill with cue stick and billiard ball.

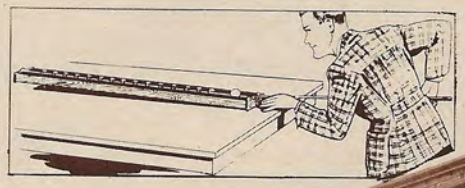

FOR ADULTS and JUNIORS

No. 957 — CLICK POOL

Illustrated

Redwood finished in Mahogany, size **52" long** x 4¾" wide x 2½" high, cast aluminum ends nicely polished, assorted color Catalin discs with numbers stamped in gold, nickel plated metal cups beside each number for placing bets. This size contains a metal release, so that when it is pulled it automatically releases the clicks and allows the ball to roll back to the playing end. Real pool ball 1½" in diameter, cue stick 36" long. Packed each in corrugated shipping carton. Weight: 60 lbs. per dozen.

No. 948 — CLICK POOL

Mahogany finished wood, **32" long**, 3" wide, 2" high. In the groove running the whole length of the wood is a metal track to which is attached metal clicks. Ball is hit by a cue stick to roll up the incline, and when it stops, a click in each number prevents it from rolling back. Skill is required to make the ball stop at the high numbers. If ball is hit too hard, it travels all the way up the incline and the player receives no score at all. Colored wooden ball 1⅝" in diameter, cue sticks 32" long. All metal parts are nickel plated. Packed each in printed folding box. Weight: 32 lbs. per dozen.

No. 949 — CLICK POOL

Wooden channel **32" long** x 3" wide in which is attached metal angle and to which are attached metal clicks. Ball rolls up over these clicks, and on the way back, automatically stops at one of the numbered sections. Tapered cue stick 32" long, regular Bakelite pool ball. Weight: 30 lbs. per dozen.

No. 953 — CLICK POOL

Mahogany finished wood, same as the No. 951, except that the size is **43" long** x 3½" x 2⅛" high. This size has a metal arrangement so that when the ball is stopped in the middle of the track, it is only necessary to pull slightly the metal bar which releases the clicks and allows the ball to return to the end from which the game is played. The numbers on this size are numbered Catalin discs. A real pool ball is used, 1½" in diameter. The cue stick is 36" long. Score pad furnished with each game. Packed each in corrugated shipping carton. Weight: 47 lbs. per dozen.

No. 951 — CLICK POOL

Mahogany finished wood **36½" long,** 3" wide x 2" high. Played same as above. Real pool ball 1½" in diameter. Regular cue stick 32" long. The numbers on the game are decalcomania. All metal parts are nickel plated. Packed each in corrugated shipping carton. Weight: 38 lbs. per dozen.

No. 986 — DISC POOL

(Not Illustrated)

SQUARE MASONITE POOL BOARD. Wood frame 38" square. Rubber cushions, 15 numbered discs, 1 cue disc, 2 cue sticks. Packed individually in carton. Weight: 14 lbs. each.
