*REG. U. S. PATENT OFFICE

*"RIDE 'EM"

No. 293 — AIRPLANE

The Streamliner!!

Clicker Noisemaker!!

Propeller Spins Automatically!!

Latest streamlined design with swept-back wings. Propeller and clicker noisemaker operate automatically. Comfortable seat is located so plane will not tip. Handle bar for easy steering control. Sturdy, with rubber tires on steel disc wheels. Tough, baked enamel finish.

Length 25", wing spread 27", height 11". Weight when packed for shipment 12½ lbs.

*"RIDE 'EM"

No. 47 — STEAM SHOVEL

IT SCOOPS AND LOADS!

With handle bar for steering control. Shovel arm extends additional 8½" when raised. The scoop bottom releases to dump and automatically closes when scoop is dropped. House rotates on turntable. Attractive red, gray and black colors. Length 23¾" when the arm is down, height 14¼" when arm is down. Weight when packed for shipment 8½ lbs.

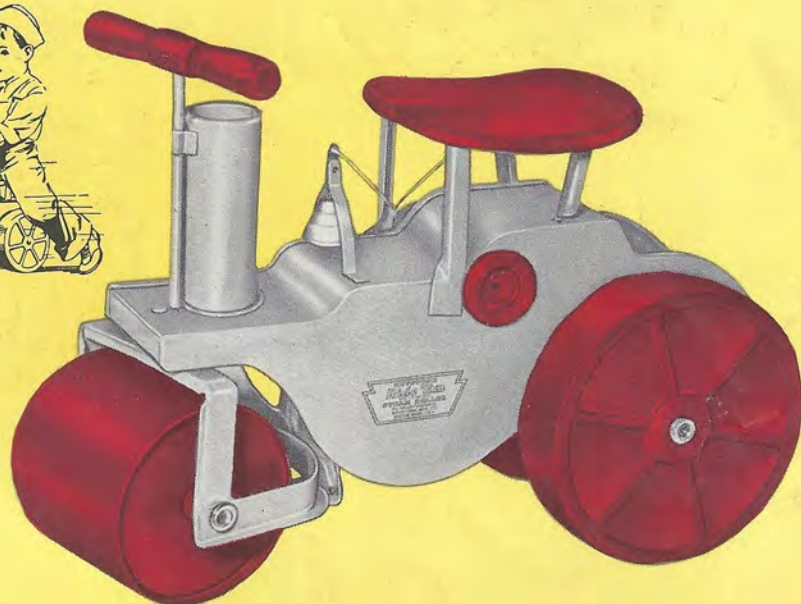

*"RIDE 'EM"

No. 61 — STEAM ROLLER

RUGGED! HOLDS 150 LBS.!!

With handle bar in front so that the child can sit comfortably on seat and steer while riding. Extra heavy roller and well proportioned wheels. Has loud ringing bell. This steam roller will stand a weight of about 150 lbs. Lustrous baked enamel finish in RED and GRAY. Weight when packed for shipment 13½ lbs.

*"RIDE 'EM"

No. 75 — TRACTOR

REAL OPERATING BULLDOZER!!

Sturdy, scale proportioned tractor. Large rear air-cushion rubber tires on steel disc wheels. Lever operated bulldozer designed for real operation. Comfortable seat. Handle bar extension makes steering easy. Hard-baked beautiful enamel finish.

Length 25", height 12¼", width 10". Weight when packed for shipment 16 lbs.

"RIDE 'EM"

No. 43 — DUMP TRUCK

DUAL WHEELS WITH LARGE RUBBER TIRES! TWO-TONE COLOR SCHEME!

Large dual wheels support more weight. Comfortable seat and handle for steering. Dump heavy load easily. Tailboard locks into place when truck body is not in dumping position. Lustrous baked enamel finish in RED and GREEN.

Length 24½", height 12", weight when packed for shipment 16 lbs.

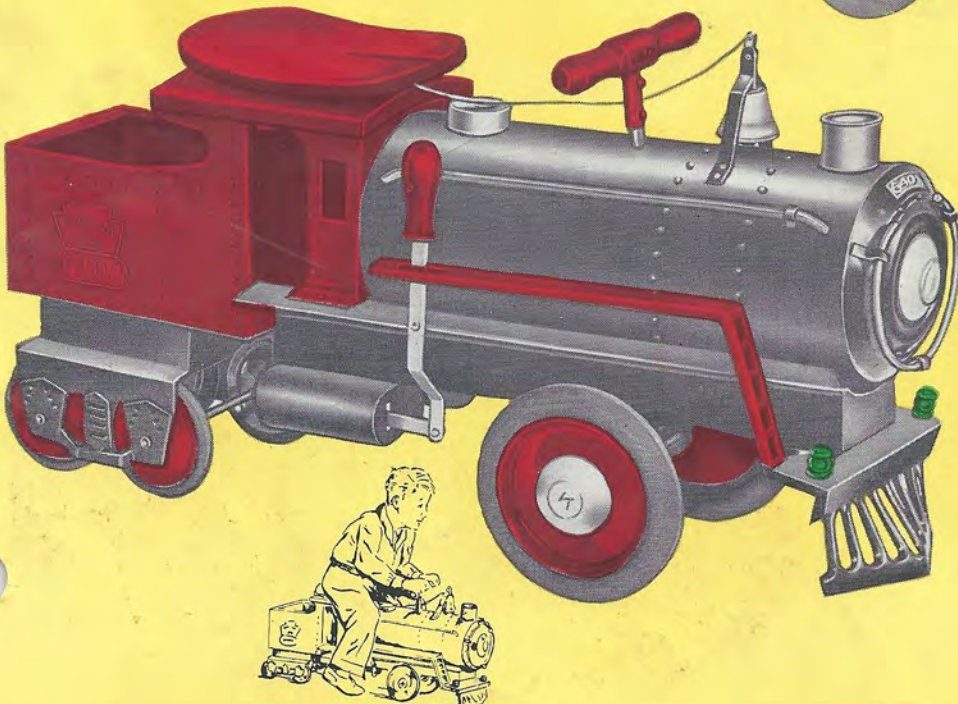

*"RIDE 'EM"

No. 6400 — LOCOMOTIVE

WITH LOUD WHISTLE!

With handle bar steering control and comfortable seat. Large all rubber tires. Made of automobile body stock in beautiful red and black colors. Luggage space provided in coal tender. Loud whistle operated by hand action. Loud ringing bell. Locomotive will carry weight of adult. Length 28", height 12½". Weight when packed for shipment 14½ lbs.
